Til årets Open Show for Bull Terrier og Miniature Bull terrier har vi gleden av å presentere Steve Walker.

My life in Bull Terriers started in 1982 when I purchased a bitch from the famous Foyri kennel, at that point I had no interest in dog shows but that all changed through a chance meeting with Joe and Doreen Lamonby of the Emred Kennels.

Also, fortunately they lived only 20 minutes from myself, I then met a young Russell Lamonby and a strong friendship was formed.

Over the years I have been blessed to see world class dogs grown from babies to Bull Terriers. I was fortunate to handle the great Emred Devils Chance to his 3' CC, because on that day Russell was getting married. I also had the privilege of handling Emred Huntsman to win the Terrier group, and this was from two thousand dogs. I have owned a few quality dogs and probably should have campaigned them more seriously.

Bull Terrier Clubs I was asked to join the NDDBTC committee and eventually was elected as Chairman, it was a great club and we attracted top entries. Since then, I joined the committee of MBTC and am Vice-Chairman of the NPBTC. Also, I am the Show Manager of the BTC and this is a very challenging role. I consider myself very fortunate to have judged all over the world and am indebted for the trust the clubs have placed in me.
